digital Radio

DAB
Digital Audio Broadcasting

((FM))

Intellitext

Intellitext™ gives you on-demand access to information such as sports headlines, news and more.

*From participating broadcasters

textSCAN

textSCAN™ lets you pause and control scrolling text, giving you time to note down web addresses, competition phone numbers or song titles.

ChargePAK
READY

For maximum convenience add the optional "Fit and Forget" ChargePAK™, for around 20 hours of portable DAB listening.

USB
UPGRADEABLE

Add new features as they become available via USB.

ONE

The radio for everyone

Designed in the UK

The perfect team: talkSPORT and the PURE ONE digital radio. Honest, no nonsense match debate and live commentary, all in clear digital quality.

talkSPORT is the home of the UK's only Sports Breakfast Radio Show. And only on talkSPORT can you join the company of sporting legends such as Alan Brazil, Rodney Marsh, Andy Townsend, Alvin Martin, Ray Houghton and Micky Quinn. Refreshingly frank and candid points of view make it "must listen" radio for any sports fan. And your opinion counts as much as theirs so tune in, phone in, join in.

ONE is a truly portable DAB radio. ChargePAK™ ready as standard, ONE also offers class-leading battery life, with around 35 hours of DAB listening from six standard C size batteries.

In addition to DAB usability, station choice and sound quality, ONE also features FM with RDS for areas where DAB is currently unavailable. Not to mention a host of other features including Intellitext™, textSCAN™, kitchen and sleep timers, a backlit display and USB upgradeability.

talkSPORT on PURE digital radio - now we're talking.

All the benefits of DAB

More station choice, station selection by name, scrolling text display, easy autotune, and crisp, clear sound.

Portability

Around 20 hours of portable DAB listening from the optional, rechargeable ChargePAK; around 35 hours from six C size batteries; or connect to the mains for home listening.

Ease of Use & Style

We've used our expertise as world leaders in DAB to produce a radio that not only sounds great but is intuitive and easy to use too.
